

PAINBEGONE

“Spray it on, pains all gone! Nature’s gift that works!”

Contains 4 natural oils to spray on and massage in as needed:

- **Australian Oil of Eucalyptus, the most potent source, penetrates the skin, increases circulation, relaxes muscles and relieves pain.**
- **Aloe Vera: has an antiseptic agent, eliminates infection and relieves pain.**
- **Jojoba: rejuvenates damaged skin and muscles.**
- **Grape Seed Oil: the “carrier” oil, carries the other oils deep into the seven layers of skin. It is also a topical vessel dilator and anti-inflammatory benefits and a terrific source of antioxidant power.**

**Antibacterial – Antifungal – Antiseptic –
Antioxidant – Analgesic**

**To Use: Spray on any external area that has pain and/or aches and rub the oil in for a few seconds. For Migraines, rub on the sides of the neck and temples. You’ll smell a wonderful Eucalyptus aroma and feel the oily goodness, then in about 3 – 5 minutes, the smell and oily appearance is gone as it penetrates the skin quickly to begin its work!
Relief is noticed in the first 5 minutes.**

No side effects like the other CBD products!

A 4-ounce bottle lasts a loooooong time, to order like products you’ll find the same price for a 2-ounce bottle!
